

Covington & Burling seeks to hire a first-year law student with an interest in Life Sciences to join our ten-week Summer Associate Program in our Boston office. The 1L Life Sciences Summer Associate will be given the opportunity to work with our lawyers on a broad and exciting range of matters in the life sciences industry.

Overview

Covington offers one of the largest and most comprehensive life sciences industry-focused practices in the world. Our clients, spanning all industry sectors and ranging from startup ventures to multinational corporations and trade associations, trust us with their most challenging business problems. They know that they can rely on Covington for practical, efficient solutions rooted in a sophisticated knowledge of their business that only comes from deep immersion in the industry and decades of dedicated service.

Our 1L Life Sciences Summer Associate will work in and be exposed to our life sciences, M&A, securities, regulatory, and white collar practices.

We invite law students with a sincere interest in life sciences and technology to join Covington as a 1L Life Sciences Summer Associate. The ideal candidate is interested in joining the life sciences practice upon graduation.

Covington is an equal opportunity employer and does not discriminate in employment practices on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, national origin, disability, veteran status, or any other characteristic protected by applicable law.
