

Litigation Business Development Specialist

Marketing Department

Summary:

We are seeking a results-oriented Business Development Specialist to support the Firm's Litigation and Investigations groups in marketing and developing new business. Reporting to the team's Assistant Director and managers for these groups, the BD Specialist will develop knowledge and understanding of these practices and lawyers, as well as the resources across the Marketing Department, to collaborate on projects that secure new clients, strengthen existing relationships, and increase visibility of the practices. Business development is integral to the success of the Firm and for the Litigation groups, and this role is critical to that work. The appropriate candidate will be someone who works well within a team, but can also operate independently, exercise sound discretion and judgment to capitalize on opportunities, and is enthusiastic about challenging, dynamic projects and high value responsibilities that will result in measurable ROI for the Firm.
