Covington's Israel Practice

Covington's premier Israel practice stands out as a leader in providing legal, regulatory, and policy advice across jurisdictions to Israeli companies and individuals pursuing business worldwide. Facilitating foreign, inbound business into the country is also a central component of our Israel practice.

From multinationals to medium and small businesses, including startup ventures, Covington provides tailored advice for a wide range of needs. Our Israel practice is supported by skilled advisors on the ground in Israel and by in-house, Hebrew-speaking teams that leverage the full breadth of Covington's international expertise. We also regularly collaborate with Israeli law firms and other consultancies in Israel to efficiently integrate our legal practice into existing business structures and relationships.
