

least \$54 million from Big Oil and the Koch brothers' political network—at least \$54 million. We don't know for sure because of their clandestine, dark money funding network. Likely, it is far more.

The minimum \$54 million that the fossil fuel industry funded these groups with may likely be far more because so much of the fossil fuel industry's funding is obscured through dark money channels to hide their hand.

What did they achieve? Well, they got a vote. Unlike the carbon pricing bills, they got a vote on the House floor. Speaker RYAN brought the fossil fuel-funded resolution to a vote, and with the Republican caucus largely a wholly owned subsidiary of the fossil fuel industry, the resolution passed.

There is a whole case study in corruption here, as the Founding Fathers would define it, but the simple lesson for today's purposes: Money talks and big fossil fuel money commands.

This situation stinks. The polls I just went through and others show what Americans want. Americans want jobs, Americans want clean air, Americans want a healthy climate, and Americans want to be safe from extreme weather, wildfires, and rising seas, and Americans know clean energy solutions will get them there.

Americans are ready for bipartisan action, and before the Supreme Court's decision in Citizens United came along, we had bipartisan action in the Senate on climate. We had lots of bipartisan action in the Senate on climate, but with Citizens United, unlimited money launched into our politics and things changed, and now the strings are pulled by Big Oil, Big Coal, and a couple of creepy fossil fuel industry billionaires.

Special interest money has infected almost everything we do in Congress, and it is the flagrant fact of our non-response to the climate crisis. The warnings have been coming for decades—first from the scientists, then from the economists, now from practically everywhere.

I went to the capital city of the Presiding Officer's State and was told there that the staffing requirements for police and fire were going to have to change because Phoenix, AZ, was becoming so hot that to get people to work outside, responding to emergencies, responding to fires and so forth, you had to build in a whole new staffing regime because it was so hard to work in the new levels of heat that the city of Phoenix is experiencing. You have to be able to rotate people much faster through crime scenes and through fire scenes and you had to have other people willing to stand by and cool them off after they were exposed to superheating.

So it is everywhere now. If you live on the coast, it is sea level; if you live out West, it is wildfires, and it includes Republican voters and particularly younger Republican voters.

Remember what the recently departed Republican Member of Congress

said: "My party will never earn the votes of millennials unless it gets serious about finding solutions."

Well, clean energy is a solution. The fact of all this Republican voter support on the one hand is a sign of hope for the new year—of hope that elected Republicans will hear their voters and will take action and support the clean energy solutions that can avert the climate crisis. At the same time, the voters on the Republican side who are saying what they want are also being ignored. Therefore, these numbers are equally telling of the secretive political forces at work in Congress to bottle us up and to prevent what even Republican voters want.

There is a rot in our politics, and our failure on climate change is a telling indicator of that rot. The whole world is watching. America is supposed to be "a City upon a Hill," an example for the world. They don't stop looking when we are a bad example. We have to get serious about this. Time is running out. It is time to wake up, and it is time to clean up.

With that, I yield the floor.

The PRESIDING OFFICER. The majority leader.

Mr. MCCONNELL. I thank my friend from Rhode Island.

2.5. A vote by any member of the Committee with respect to any measure or matter being considered by the Committee may be cast by proxy if the proxy authorization (1) is in writing; (2) designates the member of the Committee who is to exercise the proxy;

Each subcommittee created shall have a chairman and a vice chairman who are selected by the Chairman and Vice Chairman, respectively.

#### RULE 4. REPORTING OF MEASURES OR RECOMMENDATIONS

4.1. No measures or recommendations shall be reported, favorably or unfavorably, from the Committee unless a majority of the Committee is actually present and a majority concur.

4.2. In any case in which the Committee is unable to reach a unanimous decision, separate views or reports may be presented by any member or members of the Committee.

4.3. A member of the Committee who gives notice of intention to file supplemental, minority, or additional views at the time of final Committee approval of a measure or matter, shall be entitled to not less than three working days in which to file such views, in writing with the Clerk of the Committee. Such views shall then be included in the Committee report and printed in the same volume, as a part thereof, and their inclusion shall be noted on the cover of the report.

5.5. The Committee vote on the confirmation shall not be sooner than 48 hours after the Committee has received transcripts of the confirmation hearing unless the time limit is waived by unanimous consent of the Committee.

5.6. No nomination shall be reported to the Senate unless the nominee has filed a response to the Committee's background questionnaire and financial disclosure statement with the Committee.

#### RULE 6. INVESTIGATIONS

of the Committee and/or designated Committee staff members.

#### RULE 7. SUBPOENAS

Each subpoena shall have attached thereto a copy of S. Res. 400 of the 94th Congress, and a copy of these rules.

#### RULE 8. PROCEDURES RELATED TO THE TAKING OF TESTIMONY

8.1. Notice.—Witnesses required to appear before the Committee shall be given reasonable notice and all witnesses shall be furnished a copy of these Rules.

8.2. Oath or Affirmation.—At the direction of the Chairman or Vice Chairman, testimony of witnesses may be given under oath or affirmation which may be administered by any member of the Committee.

8.3. Questioning.—Committee questioning of witnesses shall be conducted by members of the Committee and such Committee staff as are authorized by the Chairman, Vice Chairman, or the presiding member.

8.4. Counsel for the Witness.—(a) Generally. Any witness may be accompanied by counsel, subject to the requirement of paragraph (b).

(b) Counsel Clearances Required. In the event that a meeting of the Committee has been closed because the subject matter was classified in nature, counsel accompanying a witness before the Committee must possess the requisite security clearance and provide proof of such clearance to the Committee at least 24 hours prior to the meeting at which the counsel intends to be present. A witness who is unable to obtain counsel may inform the Committee of such fact. If the witness informs the Committee of this fact at least 24 hours prior to his or her appearance before the Committee, the Committee shall then endeavor to obtain voluntary counsel for the witness. Failure to obtain such counsel will not excuse the witness from appearing and testifying.

(c) Conduct of Counsel for the Witness. Counsel for witnesses appearing before the Committee shall conduct themselves in an ethical and professional manner at all times in their dealings with the Committee. Failure to do so shall, upon a finding to that effect by a majority of the members present, subject such counsel to disciplinary action which may include warning, censure, removal, or a recommendation of contempt proceedings.

(d) Role of Counsel for Witness. There shall be no direct or cross-examination by counsel for the witness. However, counsel for the witness may submit any question in writing to the Committee and request the Committee to propound such question to the counsel's client or to any other witness. The counsel for the witness also may suggest the presentation of other evidence or the calling of other witnesses. The Committee may use or dispose of such questions or suggestions as it deems appropriate.

8.5. Statements by Witnesses.—Witnesses may make brief and relevant statements at the beginning and conclusion of their testimony. Such statements shall not exceed a reasonable period of time as determined by the Chairman, or other presiding members. Any witness required or desiring to make a prepared or written statement for the record of the proceedings shall file a paper and electronic copy with the Clerk of the Committee, and insofar as practicable and consistent

with the notice given, shall do so at least 48 hours in advance of his or her appearance before the Committee, unless the Chairman and Vice Chairman determine there is good cause for noncompliance with the 48 hours requirement.

8.6. Objections and Rulings.—Any objection raised by a witness or counsel shall be ruled upon by the Chairman or other presiding member, and such ruling shall be the ruling of the Committee unless a majority of the Committee present overrules the ruling of the chair.

8.7. Inspection and Correction.—All witnesses testifying before the Committee shall be given a reasonable opportunity to inspect, in the office of the Committee, the transcript of their testimony to determine whether such testimony was correctly transcribed. The witness may be accompanied by counsel. Any corrections the witness desires to make in the transcript shall be submitted in writing to the Committee within five days from the date when the transcript was made available to the witness. Corrections shall be limited to grammar and minor editing, and may not be made to change the substance of the testimony. Any questions arising with respect to such corrections shall be decided by the Chairman. Upon request, the Committee may provide to a witness those parts of testimony given by that witness in executive session which are subsequently quoted or made part of a public record, at the expense of the witness.

8.8. Requests To Testify.—The Committee will consider requests to testify on any matter or measure pending before the Committee. A person who believes that testimony or other evidence presented at a public hearing, or any comment made by a Committee member or a member of the Committee staff, may tend to affect adversely that person's reputation, may request in writing to appear personally before the Committee to testify or may file a sworn statement of facts relevant to the testimony, evidence, or comment, or may submit to the Chairman proposed questions in writing for the questioning of other witnesses. The Committee shall take such action as it deems appropriate.

8.9. Contempt Procedures.—No recommendation that a person be cited for contempt of Congress or that a subpoena be otherwise enforced shall be forwarded to the Senate unless and until the Committee has, upon notice to all its members, met and considered the recommendation, afforded the person an opportunity to address such contempt recommendation or subpoena enforcement proceeding either in writing or in person, and agreed by majority vote of the Committee to forward such recommendation to the Senate.

8.10. Release of Name of Witness.—Unless authorized by the Chairman, the name of any witness scheduled to be heard by the Committee shall not be released prior to, or after, appearing before the Committee. Upon authorization by the Chairman to release the name of a witness under this paragraph, the Vice Chairman shall be notified of such authorization as soon as practicable thereafter. No name of any witness shall be released if such release would disclose classified information, unless authorized under Section 8 of S. Res. 400 of the 94th Congress or Rule 9.7.

#### RULE 9. PROCEDURES FOR HANDLING CLASSIFIED OR COMMITTEE SENSITIVE MATERIAL

9.1. Committee staff offices shall operate under strict security procedures administered by the Committee Security Director under the direct supervision of the Staff Director and Minority Staff Director. At least one United States Capitol Police Officer shall be on duty at all times at the entrance

of the Committee to control entry. Before entering the Committee office space all persons shall identify themselves and provide identification as requested.

9.2. Classified documents and material shall be stored in authorized security containers located within the Committee's Sensitive Compartmented Information Facility (SCIF). Copying, duplicating, or removing from the Committee offices of such documents and other materials is strictly prohibited except as is necessary for the conduct of Committee business, and as provided by these Rules. All classified documents or materials removed from the Committee offices for such authorized purposes must be returned to the Committee's SCIF for overnight storage.

9.3. "Committee sensitive" means information or material that pertains to the confidential business or proceedings of the Select Committee on Intelligence, within the meaning of paragraph 5 of Rule XXIX of the Standing Rules of the Senate, and is: (1) in the possession or under the control of the Committee; (2) discussed or presented in an executive session of the Committee; (3) the work product of a Committee member or staff member; (4) properly identified or marked by a Committee member or staff member who authored the document; or (5) designated as such by the Chairman and Vice Chairman (or by the Staff Director and Minority Staff Director acting on their behalf). Committee sensitive documents and materials that are classified shall be handled in the same manner as classified documents and material in Rule 9.2. Unclassified committee sensitive documents and materials shall be stored in a manner to protect against unauthorized disclosure.

9.4. Each member of the Committee shall at all times have access to all papers and other material received from any source. The Staff Director shall be responsible for the maintenance, under appropriate security procedures, of a document control and accountability registry which will number and identify all classified papers and other classified materials in the possession of the Committee, and such registry shall be available to any member of the Committee.

9.5. Whenever the Select Committee on Intelligence makes classified material available to any other committee of the Senate or to any member of the Senate not a member of the Committee, such material shall be accompanied by a verbal or written notice to the recipients advising of their responsibility to protect such materials pursuant to section 8 of S. Res. 400 of the 94th Congress. The Security Director of the Committee shall ensure that such notice is provided and shall maintain a written record identifying the particular information transmitted and the committee or members of the Senate receiving such information.

9.6. Access to classified information supplied to the Committee shall be limited to those Committee staff members with appropriate security clearance and a need-to-know, as determined by the Committee, and, under the Committee's direction, the Staff Director and Minority Staff Director.

9.7. No member of the Committee or of the Committee staff shall disclose, in whole or in part or by way of summary, the contents of any classified or committee sensitive papers, materials, briefings, testimony, or other information received by, or in the possession of, the Committee to any other person, except as specified in this Rule. Committee members and staff do not need prior approval to disclose classified or committee sensitive information to persons in the Executive branch, the members and staff of the House Permanent Select Committee on Intelligence, and the members and staff of the

Senate, provided that the following conditions are met: (1) for classified information, the recipients of the information must possess appropriate security clearances (or have access to the information by virtue of their office); (2) for all information, the recipients of the information must have a need-to-know such information for an official governmental purpose; and (3) for all information, the Committee members and staff who provide the information must be engaged in the routine performance of Committee legislative or oversight duties. Otherwise, classified and committee sensitive information may only be disclosed to persons outside the Committee (to include any congressional committee, Member of Congress, congressional staff, or specified non-governmental persons who support intelligence activities) with the prior approval of the Chairman and Vice Chairman of the Committee, or the Staff Director and Minority Staff Director acting on their behalf, consistent with the requirements that classified information may only be disclosed to persons with appropriate security clearances and a need-to-know such information for an official governmental purpose. Public disclosure of classified information in the possession of the Committee may only be authorized in accordance with Section 8 of S. Res. 400 of the 94th Congress.

9.8. Failure to abide by Rule 9.7 shall constitute grounds for referral to the Select Committee on Ethics pursuant to Section 8 of S. Res. 400 of the 94th Congress. Prior to a referral to the Select Committee on Ethics pursuant to Section 8 of S. Res. 400, the Chairman and Vice Chairman shall notify the Majority Leader and Minority Leader.

9.9. Before the Committee makes any decision regarding the disposition of any testimony, papers, or other materials presented to it, the Committee members shall have a reasonable opportunity to examine all pertinent testimony, papers, and other materials that have been obtained by the members of the Committee or the Committee staff.

9.10. Attendance of persons outside the Committee at closed meetings of the Committee shall be kept at a minimum and shall be limited to persons with appropriate security clearance and a need-to-know the information under consideration for the execution of their official duties. The Security Director of the Committee may require that notes taken at such meetings by any person in attendance shall be returned to the secure storage area in the Committee's offices at the conclusion of such meetings, and may be made available to the department, agency, office, committee, or entity concerned only in accordance with the security procedures of the Committee.

9.11 Attendance of agencies or entities that were not formally invited to a closed proceeding of the Committee shall not be admitted to the closed meeting except upon advance permission from the Chairman and Vice Chairman, or by the Staff Director and Minority Staff Director acting on their behalf.

#### RULE 10. STAFF

10.1. For purposes of these rules, Committee staff includes employees of the Committee, consultants to the Committee, or any other person engaged by contract or otherwise to perform services for or at the request of the Committee. To the maximum extent practicable, the Committee shall rely on its full-time employees to perform all staff functions. No individual may be retained as staff of the Committee or to perform services for the Committee unless that individual holds appropriate security clearances.

10.2. The appointment of Committee staff shall be approved by the Chairman and Vice

Chairman, acting jointly, or, at the initiative of both or either be confirmed by a majority vote of the Committee. After approval or confirmation, the Chairman shall certify Committee staff appointments to the Financial Clerk of the Senate in writing. No Committee staff shall be given access to any classified information or regular access to the Committee offices until such Committee staff has received an appropriate security clearance as described in Section 6 of S. Res. 400 of the 94th Congress.

10.3. The Committee staff works for the Committee as a whole, under the supervision of the Chairman and Vice Chairman of the Committee. The duties of the Committee staff shall be performed, and Committee staff personnel affairs and day-to-day operations, including security and control of classified documents and material, shall be administered under the direct supervision and control of the Staff Director. All Committee staff shall work exclusively on intelligence oversight issues for the Committee. The Minority Staff Director and the Minority Counsel shall be kept fully informed regarding all matters and shall have access to all material in the files of the Committee.

10.4. The Committee staff shall assist the minority as fully as the majority in the expression of minority views, including assistance in the preparation and filing of additional, separate, and minority views, to the end that all points of view may be fully considered by the Committee and the Senate.

10.5. The members of the Committee staff shall not discuss either the substance or procedure of the work of the Committee with any person not a member of the Committee or the Committee staff for any purpose or in connection with any proceeding, judicial or otherwise, either during their tenure as a member of the Committee staff or at any time thereafter, except as directed by the Committee in accordance with Section 8 of S. Res. 400 of the 94th Congress and the provisions of these rules, or in the event of the termination of the Committee, in such a manner as may be determined by the Senate. The Chairman may authorize the Staff Director and the Staff Director's designee, and the Vice Chairman may authorize the Minority Staff Director and the Minority Staff Director's designee, to communicate with the media in a manner that does not divulge classified or committee sensitive information.

10.6. No member of the Committee staff shall be employed by the Committee unless and until such a member of the Committee staff agrees in writing, as a condition of employment, to abide by the conditions of the nondisclosure agreement promulgated by the Select Committee on Intelligence, pursuant to Section 6 of S. Res. 400 of the 94th Congress, and to abide by the Committee's code of conduct.

10.7. As a precondition for employment on the Committee, each member of the Committee staff must agree in writing to notify the Committee of any request for testimony, either during service as a member of the Committee staff or at any time thereafter with respect to information obtained by virtue of employment as a member of the Committee staff. Such information shall not be disclosed in response to such requests, except as directed by the Committee in accordance with Section 8 of S. Res. 400 of the 94th Congress and the provisions of these rules or, in the event of the termination of the Committee, in such manner as may be determined by the Senate.

10.8. The Committee shall immediately consider action to be taken in the case of any member of the Committee staff who fails to conform to any of these Rules. Such disciplinary action may include, but shall not

be limited to, revocation of the Committee sponsorship of the staff person's security clearance and immediate dismissal from the Committee staff.

10.9. Within the Committee staff shall be an element with the capability to perform audits of programs and activities undertaken by departments and agencies with intelligence functions. The audit element shall conduct audits and oversight projects that have been specifically authorized by the Chairman and Vice Chairman of the Committee, acting jointly through the Staff Director and Minority Staff Director. Staff shall be assigned to such element jointly by the Chairman and Vice Chairman, and staff with the principal responsibility for the conduct of an audit shall be qualified by training or experience in accordance with accepted auditing standards.

10.10. The workplace of the Committee shall be free from illegal use, possession, sale, or distribution of controlled substances by its employees. Any violation of such policy by any member of the Committee staff shall be grounds for termination of employment. Further, any illegal use of controlled substances by a member of the Committee staff, within the workplace or otherwise, shall result in reconsideration of the security clearance of any such staff member and may constitute grounds for termination of employment with the Committee.

10.11. All personnel actions affecting the staff of the Committee shall be made free from any discrimination based on race, color, religion, sex, national origin, age, handicap, or disability.

#### RULE 11. PREPARATION FOR COMMITTEE MEETINGS

11.1. Under direction of the Chairman and the Vice Chairman designated Committee staff members shall brief members of the Committee at a time sufficiently prior to any Committee meeting to assist the Committee members in preparation for such meeting and to determine any matter which the Committee member might wish considered during the meeting. Such briefing shall, at the request of a member, include a list of all pertinent papers and other materials that have been obtained by the Committee that bear on matters to be considered at the meeting.

11.2. The Staff Director and/or Minority Staff Director may recommend to the Chairman and the Vice Chairman the testimony, papers, and other materials to be presented to the Committee at any meeting. The determination whether such testimony, papers, and other materials shall be presented in open or executive session shall be made pursuant to the Rules of the Senate and Rules of the Committee.

11.3. The Staff Director shall ensure that covert action programs of the U.S. Government receive appropriate consideration by the Committee no less frequently than once a quarter.

#### RULE 12. LEGISLATIVE CALENDAR

12.1. The Clerk of the Committee shall maintain a printed calendar for the information of each Committee member showing the measures introduced and referred to the Committee and the status of such measures; nominations referred to the Committee and their status; and such other matters as the Committee determines shall be included. The Calendar shall be revised from time to time to show pertinent changes. A copy of each such revision shall be furnished to each member of the Committee.

12.2. Measures referred to the Committee may be referred by the Chairman and/or Vice Chairman to the appropriate department or agency of the Government for reports thereon.

#### RULE 13. COMMITTEE TRAVEL

No member of the Committee or Committee Staff shall travel on Committee business unless specifically authorized by the Chairman and Vice Chairman. Requests for authorization of such travel shall state the purpose and extent of the trip. A full report shall be filed with the Committee when travel is completed.

#### RULE 14. SUSPENSION AND AMENDMENT OF THE RULES

(a) These Rules may be modified, amended, or repealed by the Committee, provided that a notice in writing of the proposed change has been given to each member at least 48 hours prior to the meeting at which action thereon is to be taken.

(b) These Rules shall continue and remain in effect from one Congress to the next Congress unless they are changed as provided herein.

(3) In computing any 10 or 5 day period under this subsection there shall be excluded from such computation any days on which the Senate is not in session.

(4) The reporting and referral processes outlined in this subsection shall be conducted in strict accordance with the Standing Rules of the Senate. In accordance with such rules, committees to which legislation is referred are not permitted to make changes or alterations to the text of the referred bill and its annexes, but may propose changes or alterations to the same in the form of amendments.

(c) Nothing in this resolution shall be construed as prohibiting or otherwise restricting the authority of any other committee to study and review any intelligence activity to the extent that such activity directly affects a matter otherwise within the jurisdiction of such committee.

SEC. 4. (a) The select committee, for the purposes of accountability to the Senate, shall make regular and periodic, but not less than quarterly, reports to the Senate on the nature and extent of the intelligence activities of the various departments and agencies of the United States. Such committee shall promptly call to the attention of the Senate or to any other appropriate committee or committees of the Senate any matters requiring the attention of the Senate or such other committee or committees. (b) The select committee shall obtain an annual report from the Director of National Intelligence, the Director of the Central Intelligence Agency, the Secretary of Defense, the Secretary of State, and the Director of the Federal Bureau of Investigation. Such reports shall review the intelligence activities of the agency or department concerned and the intelligence activities of foreign countries directed at the United States or its interest. An unclassified version of each report may be made available to the public at the discretion of the select committee. Nothing herein shall be construed as requiring

the public disclosure in such reports of the names of individuals engaged in intelligence activities for the United States or the divulging of intelligence methods employed or the sources of information on which such reports are based or the amount of funds authorized to be appropriated for intelligence activities.

(c) On or before March 15 of each year, the select committee shall submit to the Committee on the Budget of the Senate the views and estimates described in section 301(c) of the Congressional Budget Act of 1974 regarding matters within the jurisdiction of the select committee.

SEC. 5. (a) For the purposes of this resolution, the select committee is authorized in its discretion (1) to make investigations into any matter within its jurisdiction, (2) to make expenditures from the contingent fund of the Senate, (3) to employ personnel, (4) to hold hearings, (5) to sit and act at any time or place during the sessions, recesses, and adjourned periods of the Senate, (6) to require, by subpoena or otherwise, the attendance of witnesses and the production of correspondence, books, papers, and documents, (7) to take depositions and other testimony, (8) to procure the service of individual consultants or organizations thereof, in accordance with the provisions of section 202(i) of the Legislative Reorganization Act of 1946, and (9) with the prior consent of the government department or agency concerned and the Committee on Rules and Administration, to use on a reimbursable basis the services of personnel of any such department or agency.

(c) Subpoenas authorized by the select committee may be issued over the signature of the chairman, the vice chairman or any member of the select committee designated by the chairman, and may be served by any person designated by the chairman or any member signing the subpoenas.

SEC. 6. No employee of the select committee or any person engaged by contract or otherwise to perform services for or at the request of such committee shall be given access to any classified information by such committee unless such employee or person has (1) agreed in writing and under oath to be bound by the rules of the Senate (including the jurisdiction of the Select Committee on Ethics) and of such committee as to the security of such information during and after the period of his employment or contractual agreement with such committee; and (2) received an appropriate security clearance as determined by such committee in consultation with the Director of National Intelligence. The type of security clearance to be required in the case of any such employee or person shall, within the determination of such committee in consultation with the Director of National Intelligence, be commensurate with the sensitivity of the classified information to which such employee or person will be given access by such committee.

SEC. 7. The select committee shall formulate and carry out such rules and procedures as it deems necessary to prevent the disclosure, without the consent of the person or persons concerned, of information in the possession of such committee which unduly infringes upon the privacy or which violates the constitutional rights of such person or persons. Nothing herein shall be construed to prevent such committee from publicly disclosing any such information in any case in which such committee determines the national interest in the disclosure of such information clearly outweighs any infringement on the privacy of any person or persons.

SEC. 8. (a) The select committee may, subject to the provisions of this section, disclose publicly any information in the possession of such committee after a determination by such committee that the public interest would be served by such disclosure. Whenever committee action is required to disclose any information under this section, the committee shall meet to vote on the matter within five days after any member of the committee requests such a vote. No member of the select committee shall disclose any information, the disclosure of which requires a committee vote, prior to a vote by the committee on the question of the disclosure of such information or after such vote except in accordance with this section.

(b)(1) In any case in which the select committee votes to disclose publicly any information which has been classified under established security procedures, which has been submitted to it by the Executive branch, and which the Executive branch requests be kept secret, such committee shall—

(A) first, notify the Majority Leader and Minority Leader of the Senate of such vote; and

(B) second, consult with the Majority Leader and Minority Leader before notifying the President of such vote.

(2) The select committee may disclose publicly such information after the expiration of a five-day period following the day on which notice of such vote is transmitted to the Majority Leader and the Minority Leader and the President, unless, prior to the expiration of such five-day period, the President, personally in writing, notifies the committee that he objects to the disclosure of such information, provides his reasons therefore, and certifies that the threat to the national interest of the United States posed by such disclosure is of such gravity that it outweighs any public interest in the disclosure.

(3) If the President, personally, in writing, notifies the Majority Leader and Minority Leader of the Senate and the select Committee of his objections to the disclosure of such information as provided in paragraph (2), the Majority Leader and Minority Leader jointly or the select Committee, by majority vote, may refer the question of the disclosure of such information to the Senate for consideration.

(4) Whenever the select committee votes to refer the question of disclosure of any information to the Senate under paragraph (3), the Chairman shall not later than the first day on which the Senate is in session following the day on which the vote occurs, report the matter to the Senate for its consideration.

(5) One hour after the Senate convenes on the fourth day on which the Senate is in session following the day on which any such matter is reported to the Senate, or at such earlier time as the majority leader and the minority leader of the Senate jointly agree upon in accordance with paragraph 5 of rule XVII of the Standing Rules of the Senate, the Senate shall go into closed session and the matter shall be the pending business. In considering the matter in closed session the Senate may—

(A) approve the public disclosure of all or any portion of the information in question, in which case the committee shall publicly disclose the information ordered to be disclosed,

(B) disapprove the public disclosure of all or any portion of the information in question, in which case the committee shall not publicly disclose the information ordered not to be disclosed, or

(C) refer all or any portion of the matter back to the committee, in which case the committee shall make the final determination with respect to the public disclosure of the information in question.

Upon conclusion of the consideration of such matter in closed session, which may not extend beyond the close of the ninth day on which the Senate is in session following the day on which such matter was reported to the Senate, or the close of the fifth day following the day agreed upon jointly by the majority and minority leaders in accordance with paragraph 5 of rule XVII of the Standing Rules of the Senate (whichever the case may be), the Senate shall immediately vote on the disposition of such matter in open session, without debate, and without divulging the information with respect to which the vote is being taken. The Senate shall vote to dispose of such matter by one or more of the means specified in clauses (A), (B), and (C) of the second sentence of this paragraph. Any vote of the Senate to disclose any information pursuant to this paragraph shall be subject to the right of a Member of the Senate to move for reconsideration of the vote within the time and pursuant to the procedures specified in rule XIII of the Standing Rules of the Senate, and the disclosure of such information shall be made consistent with that right.

(c)(1) No information in the possession of the select committee relating to the lawful intelligence activities of any department or agency of the United States which has been classified under established security procedures and which the select committee, pursuant to subsection (a) or (b) of this section, has determined should not be disclosed shall be made available to any person by a Member, officer, or employee of the Senate except in a closed session of the Senate or as provided in paragraph (2).

(2) The select committee may, under such regulations as the committee shall prescribe to protect the confidentiality of such information, make any information described in paragraph (1) available to any other committee or any other Member of the Senate. Whenever the select committee makes such information available, the committee shall keep a written record showing, in the case of any particular information, which committee or which Members of the Senate received such information. No Member of the Senate who, and no committee which, receives any information under this subsection, shall disclose such information except in a closed session of the Senate.

(d) It shall be the duty of the Select Committee on Ethics to investigate any unauthorized disclosure of intelligence information by a Member, officer or employee of the Senate in violation of subsection (c) and to report to the Senate concerning any allegation which it finds to be substantiated.

(e) Upon the request of any person who is subject to any such investigation, the Select Committee on Ethics shall release to such individual at the conclusion of its investigation a summary of its investigation together with its findings. If, at the conclusion of its investigation, the Select Committee on Ethics determines that there has been a significant breach of confidentiality or unauthorized disclosure by a Member, officer, or employee of the Senate, it shall report its findings to the Senate and recommend appropriate action such as censure, removal from committee membership, or expulsion from the Senate, in the case of a Member, or removal from office or employment or punishment for contempt, in the case of an officer or employee.

SEC. 9. The select committee is authorized to permit any personal representative of the President, designated by the President to serve as a liaison to such committee, to attend any closed meeting of such committee.

SEC. 10. Upon expiration of the Select Committee on Governmental Operations With Respect to Intelligence Activities, es-

(a) It is the sense of the Senate that the head of each department and agency of the United States should keep the select committee fully and currently informed with respect to intelligence activities, including any significant anticipated activities, which are the responsibility of or engaged in by such department or agency: Provided, That this does not constitute a condition precedent to the implementation of any such anticipated intelligence activity.

(b) It is the sense of the Senate that the head of any department or agency of the United States involved in any intelligence activities should furnish any information or document in the possession, custody, or control of the department or agency, or person paid by such department or agency, whenever requested by the select committee with respect to any matter within such committee's jurisdiction.

(c) It is the sense of the Senate that each department and agency of the United States should report immediately upon discovery to the select committee any and all intelligence activities which constitute violations of the constitutional rights of any person, violations of law, or violations of Executive orders, Presidential directives, or departmental or agency rules or regulations; each department and agency should further report to such committee what actions have been taken or are expected to be taken by the departments or agencies with respect to such violations.

SEC. 12. Subject to the Standing Rules of the Senate, no funds shall be appropriated for any fiscal year beginning after September 30, 1976, with the exception of a continuing bill or resolution, or amendment thereto, or conference report thereon, to, or for use of, any department or agency of the United States to carry out any of the following activities, unless such funds shall have been previously authorized by a bill or joint resolution passed by the Senate during the same or preceding fiscal year to carry out such activity for such fiscal year:

(7) the desirability of establishing a joint committee of the Senate and the House of Representatives on intelligence activities in lieu of having separate committees in each House of Congress, or of establishing procedures under which separate committees on intelligence activities of the two Houses of Congress would receive joint briefings from the intelligence agencies and coordinate their policies with respect to the safeguarding of sensitive intelligence information;
